

Sunday - Feb. 8/81

Dear Vickie and Jimmy,

Your tape came yesterday and we enjoyed listening to it very much. I hope you get in the London Race. We have answered your tape so I won't comment much on it as we are going to mail it tomorrow. Mary is getting settled with steel late to do but they slept over there last night for the first time. Mike flew in Friday night. He made a quick trip home with the truck. He left there the 30th of Feb. (Friday) Mary and Diane left the 29th. Mike arrived here at 6:30 P.M. Monday the 2nd. He and dad and friends got every thing moved in and then he had to fly back on the Red Eye. Now he has ten days here. Their car isn't working so they still have our car but maybe they will get their car repaired this week. I hope so. Diane likes her new school and seems to have adjusted immediately. Mary has alot to do yet but we have been helping her.

The day is beautiful so dad wants
to go for a ride so I have really
scribbled, but since we have the
tapes I don't get my usual letters
written, but I think of you all the
time. More later.

Love,

Mom.
